

## urbanspec ST Bike Stands

urbanspec ST bike stands are based on the Sheffield hoop and provide cost-effective bike parking where available footprint is not a limiting factor.

Formed from 48mm mild steel tube with radius top corners to avoid potential injury from sharp edges. The standard hot dip galvanised finish ensures lasting durability, with optional powder coated finish options.

urbanspec ST cycle hoops are available as rail fixed, base plated or root fix formats. Rail fixed (or 'toast rack') bike stands are efficient for ground fixing

in low traffic areas. Base plate types require ground fixing on each plate and root fixed bike stands are cast in concrete below ground where a clean, trip hazard surface finish is required for high volume traffic areas

ST cycle stands are typically set at 800mm centres although this can be increased to give users more space when locking their bikes. They can also be set out at 45 degrees from parallel to decrease the depth occupied.

### Customise

The standard hot dip galvanised finish ensures lasting durability, with optional powder coated finish options

### Cost-Effective

Based on the Sheffield hoop design, urbanspec ST bike stands provide cost-effective bike parking where space is not limited

### Stand Fixing Formats

urbanspec ST cycle stands can be supplied as toastrack sets mounted on steel rails for surface fixing or as root fixed stands.

## Product Capacity & Dimensions

ST

Model	Hoop Storage	Fixing Type	Depth (mm)	Width (mm)	Height (mm)
<b>STR2</b>	2x Cycles	Rail Fix	750	150	780
<b>STR4</b>	4x Cycles	Rail Fix	750	960	820
<b>STR6</b>	6x Cycles	Rail Fix	750	1780	820
<b>STR8</b>	8x Cycles	Rail Fix	750	2580	820
<b>STR10</b>	10x Cycles	Rail Fix	750	3380	820
<b>STF1</b>	2x Cycles	Root Fix	750	150	780
<b>STF2</b>	4x Cycles	Root Fix	750	960	820
<b>STF3</b>	6x Cycles	Root Fix	750	1780	820
<b>STF4</b>	8x Cycles	Root Fix	750	2580	820
<b>STF5</b>	10x Cycles	Root Fix	750	3380	820
<b>STP1</b>	2x Cycles	Surface Fix	750	150	780
<b>STP2</b>	4x Cycles	Surface Fix	750	960	820
<b>STP3</b>	6x Cycles	Surface Fix	750	1780	820
<b>STP4</b>	8x Cycles	Surface Fix	750	2580	820
<b>STP5</b>	10x Cycles	Surface Fix	750	3380	820

## Cladding & Finish Examples

Hot-Dip Galvanised
